Duryea Borough Work Session Tuesday, July 28, 2026 at 6:28 (end at 7:26)

Attendees: Jim Gromelski, Allison Brudzinski, Justin Tonte, Stephanie Shupp, Gino Marriggi, Mike McGlynn, Jeff Hoover, Mayor Trina Moss

Old Business

Stormwater Savings –

- $12,000 will be used for the Lincoln St Project.
- Bobby Webb met with Bob Bejeski on New St. regarding storm drains 1 needs to be replaced, 2 others need concrete work. The area is between 601 and 607 New Street. This needs to be done before the road gets paved. Bill Watt said 3 quotes will be needed if cost is over the threshold. Bobby Webb to contact WVSA to see if they can replace the drains.

LSA – LAND BANK

- Need estimates before we do a LSA – will ask Pittston the cost of the house done on Main St. Decision will be needed before September meeting.

Police Vehicles

- Code Enforcement has the SUV – waiting on the lettering before being used
- Police pickup truck will go to the fire police. May need a new light bar, will look at extra ones we have and see if they can be used. Decal also will need to be applied .

Haire Grant

- Received quotes from fire police . Grant is for $15,000 max

Nicheporchek and Glodzik properties

- Easements are done need to be attached to the map. Amato has the information . Bill will follow up

New Business

Noise Ordinance – Solicitation Ordinance

- Bill Watt will advertise before the next meeting

400 Main St Grass Planting

- Waiting on quote from JR/SR Landscaping

Jeff Hoover asked about the clock repair . Bobby Webb stated it would take 30 – 60 days for them to come and fix it.

Bill Watt stated that his company will send a check for $300 for the up keep of the Gene Guerilla sign. Will send check to the borough .

Stephanie asked about the siding and debris at the burned out house on Foote Ave. Bobby spoke to the owner and it will be taken care of. Gino said that the house will need to come down . Owner is waiting on insurance company .

Bill Watt stated that he met with the engineer regarding the Lackawanna Ave pave cut. The pave cut ordinance does apply to this project. It would need to be paved curb to curb. Keith Moss said that no engineer was present to supervise the project and that it was done correctly and that HE IS NOT GOING TO PAVE CURB TO CURB. Bill asked council if they wanted to waive the ordinance for this project , a resolution would be needed in order to take this action. Keith is having the milling machine this week to finish Main Street and will not pay to have them come back. He was asked if he could put them off for a week while council decides about Lackawanna Ave. He stated again He Was Not Going To pave curb to curb on Lackawanna Ave.
